

CONCONULLY BIBLE CAMP

A Ministry of Okanogan County Holiness Association

Prayer Requests:

- Pray for those who will attend camp this year and make decisions to follow Christ with all their hearts, minds, and souls.
- Pray for the camp Board of Directors as they work through the development of policies and navigate through COVID-19. Pray for wisdom and discernment in the best options.
- Pray for new Board members to find their role as they serve the LORD at camp.
- Pray for new volunteers and church groups to join us in the coming years.

Praises:

- We praise God for getting camp through 2020. We are thankful for all that he did in a different ministry climate.
- God brought many new people and a few new church groups to camp this last year. It was still a fruitful season even during a pandemic.

A New Year. A New Beginning. Continuing steps to getting back on track.

Yes! A new year. Let's face it, last year was not the easiest to navigate for anyone. There did not seem to be clear answers for anyone on anything at any time. At camp, God made lemonade out of lemons as we were able to operate the RV park in a small and safe capacity. With that, the Gospel was still shared. This year is a new year and the muddy waters that churned up are seeming to be calmed and cleared a little bit for now. We've been given at least some direction as to how we as a camp can safely operate.

Although we would love to go back to "how things used to be", we are in a position this camping season to be conscientious about how we operate with safe practices while also being proactive to forge ahead in faith with the mission of the Gospel of Jesus Christ. In the following pages you'll see how you can join us again this summer at camp. Things may look a little different, but we are working hard to create an atmosphere of togetherness, trust, and safety as we do what we can to balance life in the camping ministry in the midst of the pandemic.

Come on up to camp!

Your next adventure is on the horizon! We hope that we can be a part of that adventure. If you are looking to take your family, church group, or small group on a new getaway, look no further. Get in touch with us:

FAMILY CAMPOUT 2021

July 21st—25th

As we enter into our 97th year of camp operation and the Gospel of Christ being presented to new generations, we were hoping to offer a shortened version of Family Camp this

summer, but that was not to happen. We have been looking at the specific guidelines and protocols from the state and our local health department that we would have had to follow for a large group gathering, and it was too much to realistically make it happen in terms of functionality. We've taken careful consideration and advice from other camps, learning from experiences and mistakes, to work with and be transparent with our local health officials, but it got to a point where we were too hamstrung to operate or for Family Camp to even be appealing for our regular attendees. More importantly than anything above, we've been prayerful to place our hopes and desires in the hands of God. He is the one truly in control. Despite our hopes and desires to put Family Camp on, it wasn't to be as doors closed.

With that, we still want to offer people an opportunity to come to camp and rent an RV site, tent site, or a cabin. We won't be having any official programming with a speaker or worship, but we will gather around like a big family to talk, share, and even hear what God is doing in the hearts of people through devotions and a campfire worship time each evening. The dining hall won't be in operation, but we invite you to bring your BBQ's and coolers to do your own thing. You will have the freedom to camp with your families instead of being separated. You'll have freedom for gathering with other families for unplanned recreational times of hiking, swimming, fishing, and other outings.

Family Campout 2021 (Continued)

In terms of planning, so much has been uncertain until recently as we received operational guidelines specifically for camps. In some ways of functionality we may be hamstrung, but we still feel called to present the love of Christ and the way of Redemption through Camp. We are taking into account the camp mission statement, **“To create and maintain an environment of spiritual growth and discipleship.”** We are striving to give families the opportunity to come together safely; to build each other up and meet each others needs; and to provide opportunity for the Holy Spirit to speak into us in the beauty of His creation around us and in each of us.

We have decided to shorten camp and change the format to focus on families to come together in small groups and participate in small unplanned camp activities. It will be from **Wednesday, July 21st to Sunday, July 25th**. To get registered, please contact Kathy Hughes at (509) 476-2827 or (509) 429-6200. Or by e-mail at hughesk@ncidata.com.

We are looking to God for guidance and expecting him to lead us to an amazing weekend of fellowship and spiritual growth despite the changes and hardships we have all gone through in the last year.

FAMILY WEEKEND CAMPOUT, AUGUST 6TH-8TH

If you're looking for that end of summer getaway before heading into the grind of fall, join us up at camp for a refreshing weekend. On **August 6th—8th** we'll be having a quiet weekend at camp. We're keeping it simple with RV's and Tenting. Come to enjoy an evening message from our good friend Pastor Dallas Stringer. You'll be responsible for your own meals, unless we make any changes with the use of the kitchen. **The cost is just \$35.00/night per RV and \$25.00/night for tents.** We look forward to having some time to catch up with you all and enjoy time in God's Word together with Pastor Dallas.

Contact Aaron Bevier at (509) 322-1581 to reserve your campsite for RV or tent. You can also reach us by Messenger through the camp facebook page.

ASSOCIATION MEETING AT FAMILY CAMP. JULY 24TH, 2:30 PM

This years camp association meeting will be at Family Campout this year. **It will be Saturday, July 24 at 2:30pm.** Upon arrival at camp, you can pay for your membership in the camp association. This will be essential for all to be able to vote. Due to not having a meeting in 2020, the Board of Directors voted for everyone who was previously a member to be rolled over into the new year for 2020-2021. This made allowance to carry over until we could meet again in 2021.

FINANCE REPORT

Our current finances for camp: At the most recent board meeting a vote was made to pay off the Paycheck Protection Loan from last year. The first payment of \$2,313.00 was made. \$6,000 (plus interest) is left to pay. Thank you so much for your support throughout 2020.
