Conconully Bible Camp

Why I Support Conconully Bible Camp

Conconully Bible Camp was begun in 1924 through the leadership of the National Holiness Association. The local founding group were sincere Christian people seeing a need to have a place where people could come to be under God's influence much like the early day tent meetings that toured the country. Over the years the Holy Spirit has drawn many to Christ through the ministry of the camp. That is why I support Conconully Bible Camp. There is something about being away from home and the routines of everyday life that allows the Holy Spirit to break through our busyness to give us time to hear the still, small voice of God. It works for all people no matter what stage of their relationship to Christ. Many initial commitments are made and many prayers of repentance and moving up to the next step of Christian growth. Conconully Bible Camp is a safe place to come and talk to the Lord and to invite friends to join you. Bring people to camp and the Holy Spirit will do his work of drawing them closer to Christ. This is why the board of directors volunteers to take care of the grounds and business of the camp and why they provide a family camp every year. God has blessed this work for over a hundred years. The Board of Directors asks for your support in prayers, work and/or donations to keep the camp able to improve and grow and continue as a special place to meet with the Lord.

SPRING PROJECT Conconully Bible Camp (CBC)

The building project for this spring is to remodel the south side of the Dining Hall. The dining hall has a new roof and this would complete the exterior of the building and give badly needed kitchen storage space, playground storage space and maintenance equipment space. This will require taking down the existing roof and walls that cover an 8'x16' area and putting up new walls and rafters followed by a matching roof. The new area will make a storage space of 16'x24'. The Arlington Missions Team will be here again the first weekend in May to work on this project. For many years CBC has been blessed by work volunteered by the Arlington Missions Team. They began in May of 2015 when they built a new cabin to replace one of the old A-frames. Since then they have built 4 cabins, remodeled 3 more and helped put siding on ten more. As usual we start these projects with money in hand to complete them. Thank you for your giving that keeps the camp improving. Be in prayer for the Work Day on April 5th and the other work time that will have to happen for us to be prepared for the Arlington team coming in May. The next project after this will be kitchen improvement. A committee is working on that plan and we will be looking at some upgrades for the kitchen area in the near future depending on funds available. Thank you for your faithfulness. Questions? Call Vic Elmore: 509-560-0459

DATES TO REMEMBER

April 5: Demolition of Storage area on Dining Hall

April 19: Water turn on for Camp and general work Day

May 2: Arlington Team Arrives

July 14—20 Family Camp

Prayer Needs

Camp Board and Committee Members

The remaining staff for Family Camp
