

Conconully Bible Camp

Family Camp Evangelist 2025

Matthew Winter currently serves as an ordained minister in the Free Methodist Church as an associate pastor at Cornerstone Christian Fellowship in Omak. Saved and baptized from a young age, Matthew grew up in a non-denominational church in South Africa where he served the Lord from a young age as he felt a strong calling from God already through a personal encounter at the age of 9.

With a great love and passion for the Lord, Matthew has done ministry in all areas over the last 34 years; from children's ministry, youth, young adults, outreach and small groups. From reaching out into the poorest of townships to being part of running national prayer events - as long as he is serving and doing the will of God, Matthew is passionate about what he does. His driving scripture has always been Colossians 3:23 "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters,"

Matthew is married to the love of his life, Catherine. They have 2 little ones, Abigail and Levi. The family stepped out in faith together as God called them to move to the USA from South Africa in December 2023. He has a passion for helping people to know Jesus, understand Kingdom Culture, and to live by the unwavering Word of God.

Lonnie Good and the Worship team will be practicing and worshipping at the Methow Community Church on June 19th at 7 pm. Everyone is invited to attend and sing as they play.

Missionary Christina McBride

I am looking forward to seeing you all and sharing with you what God is doing.

I gave my heart to Jesus when I was 5 years old. When I was 14, I surrendered my life to God and told Him I would do anything and go anywhere He wanted me to. At that time, I did not know that He was calling me to missions. It wasn't until I was a freshman in college that God spoke to me about being a missionary. I accepted His call, and when I was a junior in college I did my internship in Bolivia to get my first taste of missions.

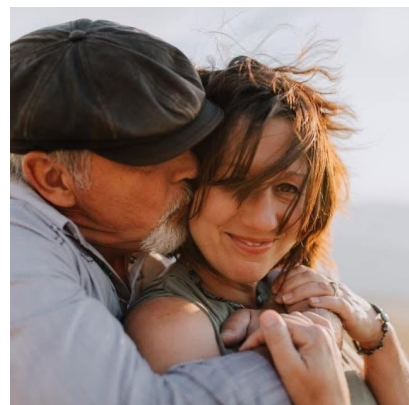

In 2002, I was appointed as a missionary with World Gospel Mission. In February 2005, I went to Stockton, California, to work with inner-city children and youth at The Center. God then began to show me that He had a new ministry for me, and He gave me a peace about going to McAllen, Texas, to serve with Texas/Mexico Border Ministries at Taylor Community Center.

We are celebrating 18 years of doing life together! We began leading worship early in our marriage. The last six years have been a time of service to several different churches, from the Okanogan to Wenatchee and back again. Conconully Bible Camp remains at the top of our list of places to play! It is always such a joy.

The other highlight of our life has to be our school in Uganda. This started from a very humble beginning, through an effort to supply a small village with mosquito nets. Shortly after that we began raising donations to buy land and build a school. The Lord has blessed this effort beyond our imagination. What started as one building and just a few children has turned into one of the finest schools in Uganda. Faith Heart School. You can read about this on our website, achildsprayer.net

We recently relocated to Carlton, where we are both busy doing what we love. Teresa has started a small pottery shop, where she is still a nurse by day and now a potter by night, and I have a small studio where I write and record new songs on almost a daily basis. We are now pastoring Methow Community Church and providing worship as well for this sweet little community.

We are building a team and working on songs that we hope will bless those who attend. God is Good.
